

Notice of Motion submitted by Councillor Vogler regarding Installation of Private Services - Melody Drive

Whereas the Municipality of Lakeshore is scheduled to begin reconstruction of Melody Drive this summer;

And Whereas existing private water and electrical services running beneath the road will be removed during construction;

And Whereas residents have been given the option to apply for an easement and to reinstall hydro services;

And Whereas private water services have run beneath Melody (and other Municipal roads) for decades without incident;

And Whereas there is no bylaw restricting this option;

And Whereas residents agree to bear all additional costs associated with engineering, installation, and maintenance;

And Whereas residents will enter into a binding agreement regarding liability and duties of maintenance;

Be it resolved that the Municipality of Lakeshore allow for conduits and private water lines, for fresh water and/or irrigation, to be professionally installed under the Municipal roadway within the easement referenced above.
