Re: Committee of Adjustment –November 15, 2023 – A/36/2023

Operations has reviewed A/36/2023 – 500 County Road 31 application and offer the following comments:

- Temporary access is supported pending the full removal of the secondary driveway and restoration upon demolition of the existing structure.
- Further, County of Essex approval is required to allow for the temporary use of two driveways along County Road 31 for the duration of construction. Approval to be provided to Lakeshore.
- County of Essex permit is required for the permanent driveway on County Road 31.
