

Notice of Motion submitted by Councillor Kerr regarding 2024 Budget

For the 2024 Lakeshore Budget and all future Budget deliberations, that new positions and renamed positions not be embedded in the report. That new positions and renamed positions will be separate and introduced at the end of deliberations and that each new/renamed position come with an independent report. Included in the report shall be, wage and benefit package, entry grid grade level and any other monetary items such vehicle or milage allowance, computer, desk, cell phone, etc. that will be needed to perform the duties. The report shall include current Lakeshore positions that will be receiving new titles through, transforming, modernize citizen-centered service, restructuring, centralizing, relocation, transitioning, or other similar actions that will or is expected to include a higher wage or grade improvement from the new title with or without further responsibilities.
