## EXPLANATORY NOTE

*This Explanatory Note was written as a reader's aid to Bill 200 and does not form part of the law. Bill 200 has been enacted as Chapter 18 of the Statutes of Ontario, 2024.*

### SCHEDULE 1 NEW HOME CONSTRUCTION LICENSING ACT, 2017

The Schedule amends the *New Home Construction Licensing Act, 2017*. Here are some highlights:

1. Various definitions are added to section 1 of the Act and consequential amendments are made to subsections 53 (1) and (2).
2. Amendments are made with respect to requirements for purchase agreements and construction contracts (see the repeal of subsections 53 (3) and (4) and the enactment of section 53.1). Corresponding amendments are made to the regulation-making authorities in subsection 83 (1).
3. New section 53.2 requires vendors to deliver prescribed information to purchasers of new freehold homes and other prescribed new homes. The section also provides for when a purchase agreement is binding on a purchaser as well as for the purchaser's right to rescind a purchase agreement. Related regulation-making authorities are added to subsection 83 (1).
4. New clause 84 (1) (i.2) permits the Minister to make regulations requiring the regulatory authority to make specified documents available to the public and prescribing the means for doing so.

### SCHEDULE 2 ONTARIO HERITAGE ACT

The Schedule amends the *Ontario Heritage Act*. Previously, subsection 27 (16) provided that if an undesignated property is included in the municipality's register as of December 31, 2022, the council of the municipality in which the property is situated must remove the property from the register if the council does not give a notice of intention to designate the property under subsection 29 (1) on or before January 1, 2025. Paragraph 3 of subsection 27 (18) previously provided that if subsection 27 (16) requires the removal of a property from the register, the council may not include the property again in the register until five years after January 1, 2025. The Schedule changes both of these dates to January 1, 2027 or such later date as may be prescribed.

The Schedule also adds three new subsections to section 27. Subsection 27 (19) provides that if an undesignated property included in the register is removed from the register on or after the day subsection 1 (3) of the Schedule comes into force and subsection 27 (14), (15) or (16) of the Act does not require the removal, the council may not include the property again in the register for a period of five years after the date of the removal. Subsection 27 (20) provides that if a property included in the register as of December 31, 2022 is removed from register before the day subsection 1 (3) of the Schedule comes into force and subsection 27 (14) of the Act does not require the removal, subsections 27 (14), (16) and (18) apply in respect of the property as they would if the property had not been removed from the register. The council may not include the property again in the register on or after the date on which subsection 27 (14) or (16) would have required its removal from the register had it not already been removed, except in accordance with subsection 27 (18). If the council of the municipality includes the property again in the register, subsections 27 (14), (16), (18) and (19) apply in respect of the property as they would if the property had not been removed from the register. Subsection 27 (21) provides that if a property included in the register on or after January 1, 2023 is removed from the register before the day subsection 1 (3) of the Schedule comes into force and subsection 27 (14) of the Act does not require the removal, the council may not include the property again in the register under subsection 27 (3) for a period of five years after the date of the removal.

### SCHEDULE 3 ONTARIO NEW HOME WARRANTIES PLAN ACT

The *Ontario New Home Warranties Plan Act* is amended to permit the Corporation to make by-laws requiring the Corporation to make specified documents available to the public and prescribing the means for doing so. Other technical amendments are made to existing regulation-making authorities.

### SCHEDULE 4 PERSONAL PROPERTY SECURITY ACT

The Schedule amends the *Personal Property Security Act*.

Section 54 of the Act is amended to provide that a notice of security interest may not be registered in a land registry office in respect of collateral that is consumer goods, except as provided by regulations that may be made by the Minister responsible for the Act's administration. Any notices of security interest in respect of collateral that is consumer goods, or extensions of such notices, that are in effect immediately before the day the Bill receives Royal Assent are deemed to have expired on that day. A notice of security interest or extension notice respecting collateral that is consumer goods that is deemed to have expired, or that expired before the day the Bill receives Royal Assent, may be deleted from title. Complementary amendments are made

to sections 56 and 57. A new section 74.2 extinguishes any causes of action against the Crown or specified Crown actors arising directly or indirectly from the amendments made by the Schedule and other specified related matters, and provides for limitations on proceedings and remedies in connection with those amendments and related matters.

The Schedule also amends references in the Act to the Minister responsible for its administration and the ministry of that Minister, in order to update them and make them consistent.

**SCHEDULE 5  
PLANNING ACT**

Currently, section 47 of the *Planning Act* authorizes the Minister to, by order, exercise various powers conferred upon councils of municipalities. Subsections 47 (20) to (28) set out limitations on the availability of remedies. A new subsection 47 (29) provides that those limitations do not apply, and are deemed to have never applied, in respect of land designated as transit-oriented community land under subsection 2 (1) of the *Transit-Oriented Communities Act, 2020*.

**Preamble**

The Government of Ontario:

Believes that homeowners deserve protection from exploitative business practices, including the misuse of notice of security interest registrations for consumer goods;

Recognizes that purchasing a home is among the most important decisions most Ontarians will make in their lives;

Believes that homebuyers should have adequate time to review their purchase agreement so they can make a confident and informed decision when buying a new home;

Supports increasing the clarity and flexibility of rules for non-designated properties included in municipal registers of properties of cultural heritage value or interest, while the government continues to take action to build more homes;

Believes that creating more homes, more jobs and improved access to transit helps build vibrant communities.

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:
