

Notice of Motion submitted by Councillor Santarossa regarding 2025 Budget

Whereas the Municipality of Lakeshore is currently recruiting for a CAO;

Whereas a new Councillor will join the Municipality of Lakeshore in the coming months;

And whereas it would be prudent to ensure appropriate training and preparation time be offered to both of these integral members of Team Lakeshore ahead of Budget presentation and deliberations;

Be it resolved that the Council for the Municipality of Lakeshore direct administration to defer 2025 Budget Deliberations to January 2025.
