Save on Energy Programs for Lakeshore: HomeSealSaver and HomeEnergySaver

Claire Soles

Outreach Coordinator, Summerhill Group

Introducing the IESO and Save on Energy

Independent Electricity System Operator (IESO)

The IESO operates at the core of Ontario's power system, delivering key services across the electricity sector, including managing the power system in real-time, planning for the province's future energy needs, enabling conservation and designing a more efficient electricity marketplace to support sector evolution.

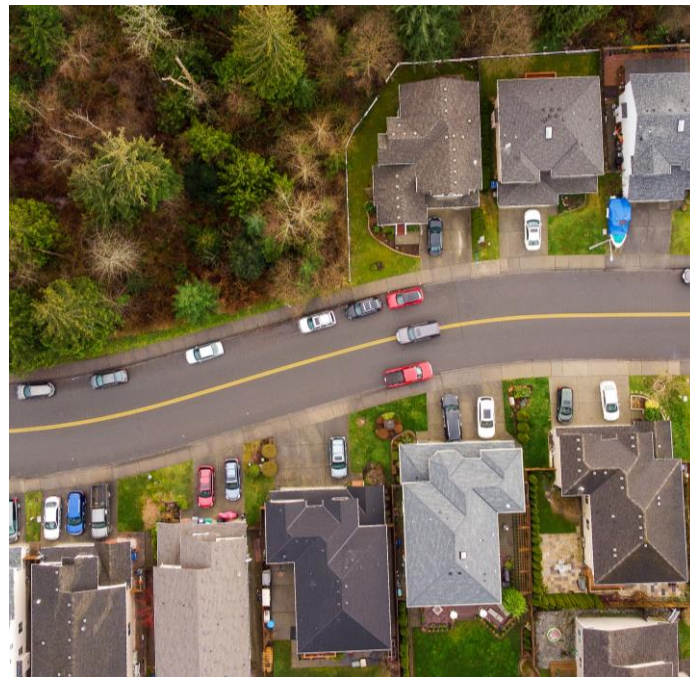

Save on Energy

Save on Energy, an initiative of the IESO, supports residential and commercial users by offering guidance and financial incentives to enhance energy efficiency and make upgrades more affordable.

Supporting Local Grid Stability

The IESO has identified areas within the municipality of Lakeshore as areas with identified electricity system needs.

HomeSealSaver and **HomeEnergySaver** are Local Initiative Programs designed to reduce demand and avoid or defer transmission investment.

HomeSealSaver Program

The HomeSealSaver program offers residents **up to \$1,360** in discounts for:

- Guided air sealing – Free up to \$600
- AC replacement – Up to \$460
- Attic insulation upgrade – Up to \$300
- AC tune-up – Free up to \$150
- Aerobarrier Air Sealing — Free
(Maximum value of up to \$3,000)

HomeSealSaver ends December 31, 2024.

HomeSealSaver Program: Eligibility

Eligibility

- This offer is limited to Belle River homeowners living in specific postal codes.
- The home must be a single-family home: detached, semi-detached, or townhouse.
- The home must not have undergone major renovations within the past ten years.

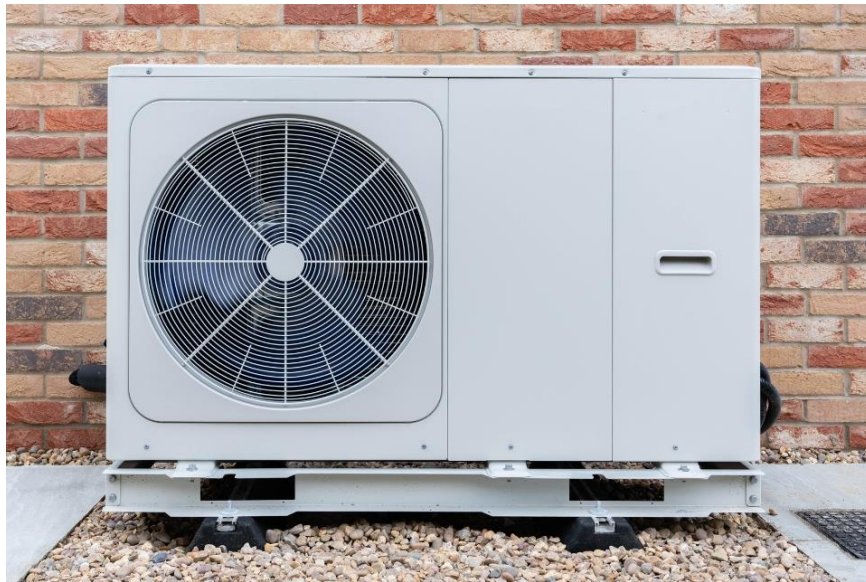

Eligible Postal Codes

- | | |
|-----------|-----------|
| • N0R 1A0 | • N0R 0A8 |
| • N0R 1A7 | • N0R 1C0 |
| • N0R 0A2 | • N0R 1N0 |
| • N0R 0A4 | • N0R 1S0 |

HomeEnergySaver Program

The HomeEnergySaver program offers incentives to **purchase and install a heat pump.**

Eligible can receive **up to \$5,000** for a cold climate air source heat pump or **\$10,000** for a ground source heat pump.

HomeEnergySaver Program: Eligibility

Eligibility

- The resident owns the home.
- The home is in an eligible postal code.
- The home is electrically heated.
- The home is a single-family dwelling, semi-detached, duplex, row/townhouse, or an apartment/condo unit in a building three storeys or shorter
- The home was built before February 26, 2024.
- The homeowner works with a Program-Verified contractor to purchase and install the heat pump.

Eligible Postal Codes in Lakeshore

- N0P
- N0R
- N8N

The full list of eligible postal codes is available on the Save on Energy website.
