

The background of the slide is a photograph of a marina. In the foreground, several motorboats are docked at a wooden pier. One boat on the left has a blue canopy and a white hull. Next to it is a boat with a white canopy and a dark hull. To the right, there are more boats, including a larger white motorboat. In the background, numerous sailboats with tall masts are docked. The sky is a clear, light blue. The entire image is overlaid with a semi-transparent teal color.

PRESENTATION TO COUNCIL

Lakeview Park | Belle River Marina | West Beach

An architectural sketch of a multi-story residential building with balconies and a garden area. The scene includes a paved walkway, a large umbrella, and several people walking. The sketch is rendered in a light, airy style with soft colors. A semi-transparent dark green overlay covers the entire image, and a thin yellow line is drawn across the middle. The text '1.0' is centered in a white box in the upper left, and 'INTRODUCTION' is written in large white letters across the bottom.

VISION

Vision

The Lakeshore waterfront is a regional destination that embraces its geography, creating a unique community-focused series of open spaces. The future of Lakeview Park, Belle River Marina and the West Beach, is to grow on its tradition as a healthy and active place that celebrates its unique location connecting the lake to the community and providing an accessible space for all members of the community.

Design Principles

1. Enhance The Waterfront Experience
2. Connect and Activate
3. Create Distinct Destinations
4. Blue Flag Accreditation
5. Restore The Waterfront + Improve Water Quality
6. Create Opportunities For Economic Reinvestment In The Waterfront
