

Notice of Motion submitted by Councillor Kerr regarding Street Cleaning and Repair By-law

Whereas the Municipality of Lakeshore has no road cleaning and repair by-law;

Therefore be it resolved that Council direct Administration to draft a street cleaning and repair by-law that incorporates the following items:

- a) The cleaning and repair of a street by any person, where required under this by-law, shall be performed to the satisfaction of the Municipality of Lakeshore including the Ward Councillor.
- b) No person hauling earth, sand, stone or other materials in a street shall load or operate their vehicle so as to permit or cause the contents thereof to fall, spill or be deposited on a street.
- c) No person in charge of a vehicle shall bring that vehicle, or permit it to be brought, upon a street unless there has been removed from the wheels, tires, tracks or treads of that vehicle, any excess mud, clay, lime, and similar material, or any fertilizer or manure that is likely, if not removed, to damage the surface of a street, or be deposited on a street so as to cause an obstruction, nuisance, or dangerous condition.
- d) The Municipality of Lakeshore may remove any mud, clay or other material deposited on a street contrary to the provisions of this by-law and may recover the clean-up costs from development deposit or pursuant to Lakeshore cost recovery.
- e) This by-law does not apply to Municipal-approved salt or de-icing materials or liquids placed on sections of a street to minimize the hazards resulting from slippery conditions.
