

Employee COVID-19 Vaccination Policy

Policy # [C or A] - [DI] - XXXXXX

Date Last Reviewed:

1.0 Purpose and Scope

- 1.1 The Municipality of Lakeshore is committed to taking every reasonable precaution in the circumstances for the protection of the health and safety of workers from the hazard of COVID-19 as required by the Occupational Health and Safety Act (OHSA).
- 1.2 Vaccination in accordance with federal and provincial directives has been shown to be effective in reducing COVID-19 virus transmission and protecting unvaccinated individuals from severe consequences of COVID-19 and COVID-19 variants. Therefore, it is critical for employees to be vaccinated in order to protect themselves from COVID-19 as well as to provide indirect protection to others during service delivery.
- 1.3 The Municipality is committed to a workplace free from discrimination and harassment. The Municipality will accommodate employees qualifying for medical exemption or who qualify based on one or more of the protected grounds of discrimination in the Human Rights Code up to the point of undue hardship.
- 1.4 This policy applies to all Municipal employees including those employed on a permanent, part-time or contract basis (for example contracted by the Municipality directly or those employed by an employment agency), co-op and placement students whether in receipt of compensation or salary or not, volunteers.
- 1.5 Where employees are subject to an Ontario provincial directive with respect to COVID-19 vaccination that is more strict than this policy, an employee vaccination policy for those employees will be established in accordance with such directive and that specific policy will prevail over this policy. In addition, where an employee's departmental COVID-19 vaccination policy is more stringent than this policy, such departmental policy will prevail over this policy.

2.0 Definitions

- 2.1 **COVID-19:** coronavirus disease is an infectious disease caused by the SARS-CoV-2 virus and includes variants of this disease.
