

Municipality of Lakeshore – Report to Council

Operations

Capital Projects

To: Mayor & Members of Council
From: Jill Fiorito, Drainage Superintendent
Date: January 24, 2022
Subject: Drainage Board Meeting-January 10, 2022

Recommendation

This report is for information only.

Background

The draft minutes from the January 10, 2022, Drainage Board meeting are attached.

Comments

Mr. Gerard Rood, P. Eng. was in attendance and outlined the key points of the assessment schedule in the Engineer's report for the Chauvin-Blanchette Drain and Kennedy Drain.

The Drainage Board recommended that By-law No. 101-2021 be approved and recommended for third reading.

Others Consulted

Essex Region Conservation Authority has been consulted on this project.

Financial Impacts

All costs associated with these works will be assessed out according to the proportions outlined in the Engineers' report.
