

**Notice of Motion submitted by Councillor Walstedt regarding Millen Community Park Walking Path**

Whereas Dr. Stephen Foster Millen was a lifelong resident of Woodslee who faithfully served the Woodslee Community for over 50 years as the area's resident Doctor and as the Medical Officer of Health for the Townships of Maidstone and Rochester;

Whereas the Municipality of Lakeshore wishes to honour the late Dr. S. F. Millen for his dedication and commitment to the community;

Therefore be it resolved that the walking path in the Millen Park which is located in South Woodslee be named the Dr. S. F. Millen Trail and that said Trail be dedicated, with appropriate signage, at the July 1, 2022 Canada Day Celebration to be held in the Millen Community Park.
