

Municipality of Lakeshore – Report to Council

Operations

Capital Projects

To: Mayor & Members of Council
From: Jill Fiorito, Drainage Superintendent
Date: October 7, 2022
Subject: Drainage Board Meeting Minutes - October 3, 2022

Recommendation

This report is for information only.

Background

The draft meeting minutes from the Drainage Board meeting on October 3, 2022 are attached.

Comments

Mr. Tony Peralta, P. Eng. was in attendance to provide a summary of his drainage report on Bridge over the Malden Road Drain dated July 15, 2022.

The Drainage Board recommended that the schedule of assessment prepared by Peralta Engineering dated July 15, 2022, be referred back to the drainage Engineer and that a revised schedule be prepared.

Others Consulted

Essex Region Conservation Authority (ERCA) has been consulted on this project.

Financial Impacts

All costs associated with these works will be assessed according to the proportions outlined in the Engineer's report.

Attachments Draft Drainage Board Meeting Minutes - October 3, 2022.
