## Capital Projects

**To:** Mayor & Members of Council  
**From:** Jill Fiorito, Drainage Superintendent  
**Date:** November 14, 2022  
**Subject:** Drainage board meeting November 7th, 2022.docx

---

### Recommendation

This report is for information only.

### Comments

The draft meeting minutes from the November 7, 2022 Drainage Board meeting are attached.

### Background

Mr. Gerard Rood, P.Eng. was in attendance to provide a summary of his drainage report on the Lamy Drain – Bridge Replacement for Lassaline dated August 3, 2022.

Mr. Tony Peralta, P.Eng. was in attendance to provide a summary of his drainage report on the Bridge over the Malden Road Drain dated July 12, 2022.

The Drainage Board recommended that By-law No's 079-2022 and 080-2022 be recommended for a third reading.

### Others Consulted

Essex Region Conservation Authority (ERCA) has been consulted on these projects.

### Financial Impacts

All costs associated with these works will be assessed out according to the proportions outlined in the engineer's report.

**Attachments:** Draft Drainage Board Meeting Minutes - November 7, 2022.
