#### **Planning Definitions for Major and Minor**

#### Official Plan Amendments

#### Major

- Proposes a re-designation or change in land use for a property or properties;
- Requires many changes to the policies and schedules of the Official Plan;
- New golf courses or expansion to existing golf courses;
- New waste management facility or expansion to existing waste management facility (including agriculture waste facilities);
- Expansion to urban boundary or re-designation of Urban Reserve Area;
- Commercial Development over 3,000 square metres;
- Deletion or addition of arterial or collector road, and;
- Any application that due to the broader policy implications of the Municipality would require the need to review or manage studies or any application deemed to be major by the Manager of Development Services.

#### Minor

- Proposes a small-scale exception to a specific Official Plan standard (e.g. minor change to the
- Proposes a minor change to a specific policy that is limited in scope and typically to one property:
- Maintains the intent and purpose of the Official Plan;
- Shall have limited impact or policy implications beyond the subject lands, and;
- Any application deemed to be minor by the Manager of Development Services.

#### **Zoning By-law Amendments**

#### Major

- Zone Category Change;
- Associated with an Official Plan Amendment;
- Associated with a Plan of Subdivision or Condominium;
- Application involving multiple properties, and;
- Any Application that requires the review of technical support documents or studies (e.g. environmental analysis, transportation studies, retail market studies etc.).

#### Minor

- · Changes within current zone category;
- Re-zoning related to a "surplus lot consent" whereby the remnant parcel of farmland must be re-zoned to ensure that new residential dwellings are prohibited on any vacant remnant parcel of farmland created by the severance.

#### Site Plan Approval

#### Major

- New buildings of any size or additions greater than 929 square metres (10,000 sq. ft) or greater than 3 storeys in building height or;
- Comprehensive changes to on-site grading/servicing/drainage or parking affecting lands greater than .6 hectare (1.5 acres) in land area.

#### Minor

- Existing buildings or new additions not exceeding 929 square metres (10,000 sq. ft) or up to 3 storeys in building height or;
- Changes to landscaping, parking, grading or drainage areas up to .6 hectare (1.5 acres) in land area, including revisions to building elevations, patios or additions thereto.

#### Site Plan Amendment

"Major" and "Minor" categories, as listed above, apply where a previous Site Plan has been approved and/or a Site Plan Agreement has been entered into with the Municipality.

#### Revisions to a Draft Approved Plan of Subdivision or Condominium (Red-Line Revision)

#### Major

Major changes to the layout or conditions of draft approval of a draft approved plan.

#### Minor

• Minor changes to the layout or conditions of draft approval of a draft approved plan.
