Municipality of Lakeshore

AGENDA

Subject: DWQMS – Management Review Meeting – Policy #Op-20

Date: Wednesday May 11, 2022

Time: 0900 - 1130
Location: Microsoft Teams

Scheduled Attendees

Name	Company / Organization
Kyle Davis	Municipality of Lakeshore
Krystal Kalbol	Municipality of Lakeshore
Albert Dionne	Municipality of Lakeshore
Garry Punt	Municipality of Lakeshore
Darrin Johnston	Municipality of Lakeshore
Gary McDonald	Municipality of Lakeshore
Stephanie Grondin	Municipality of Lakeshore

DISCUSSION TOPICS

Item #					
Α	Incidents of Non-Compliance With Applicable Regulations - MECP Lakeshore WTP/WSA Inspection Results (Attached)				
В	Incidents of Adverse Drinking-Water Tests - ADWQI #155302 – Lakeshore WSA Aug 31, 2021 (Attached)				
С	 Deviations From Critical Control Point Limits and Corresponding Actions Taken UV Dosage <50mJ/cm² and Corrections Lakeshore WTP Filter Turbidity >0.30NTU Lakeshore, >0.25 Stoney Point WTP Disinfection Failure <1.00 mg/L and >3.00mg/L Lakeshore WTP, <1.40mgL and >2.50mg/L Stoney Point Coagulant Feed Pump <5kg/hr Stoney Point 				
D	The Effectiveness Of The Risk Assessment Process - Best way to move forward - Annual Infrastructure / Risk Review Meeting				

Municipality of Lakeshore
