

Appendix E: Capstone Infrastructure Potential Locations

The map below was provided after the completion of the Council Report.

The map identifies the potential locations that Capstone Infrastructure may locate battery energy storage systems. As noted, the parcels are under negotiation and not finalized.

Capstone Infrastructure projects are identified as 7,8,9,10 on Appendix C – MSR Map

- South Shore BESS *
- Lakeshore Harvest BESS *
- Shore Breeze BESS *
- Four Railroad BESS

* Multiple parcels under negotiation. Final location TBD.
